

## Pilot Mall Open House: Preparing for Overwater Flight

You preflight your airplane, but did you know you should be preflighting your passengers, too? Especially anytime you plan to fly for an extended period over water. Learn how to make your passengers part of the team that can make each flight successful, even in the event of an emergency.

**Directions:** The Pilot Mall Aviation Superstore, 4040 Laird Blvd, Lakeland, is located behind SUN 'n FUN Hangar B on the SUN 'n FUN Complex at the southwest corner of Lakeland-Linder Airport.
